The City of Baton Rouge, Parish of East Baton Rouge strongly encourages the participation of Small and Minority and Women-owned business in all contracts or procurements let by the City of Baton Rouge Consolidated Government for goods and services and labor and material. To that end, all Service Providers and suppliers are encouraged to utilize federal, state or locally certified Small, Minority and Women-owned businesses in the purchase or sub-contracting of materials, supplies, services and labor and material in which disadvantaged businesses are available.

Proposers that are not eligible for certification are encouraged to use Small, Minority and Women-owned businesses where sub-contracting opportunities exist. To be responsive to this request for proposal, the proposer should be a Small, Minority or Women-owned businesses or have put forth a good faith effort to use certified Small, Minority or Women-owned businesses as subcontractors. By submitting and signing a proposal, the proposer certifies that they are in compliance with this requirement. The proposer shall submit with the proposal a plan and selection process outlining good-faith efforts to utilize Small, Minority or Women-owned businesses as subcontractors.

Written notification is the preferred method to inform Small, Minority and Women-owned businesses of potential subcontracting opportunities. A current list of certified Small, Minority and Women-owned businesses may be obtained from the Louisiana Economic Development Certification System at <https://smallbiz.louisianaeconomicdevelopment.com/certifiedbusiness/default.aspx>. Additionally, a current list of Small, Minority and Women-owned businesses, which have been certified by the Louisiana Department of Economic Development and have opted to enroll in the State of Louisiana Procurement and Contract (LaPAC) Network, may be accessed from <http://wwwprdl.doa.louisiana.gov/OSP/LaPAC/Vendor/srchven2.cfm>. If it is at any time determined that the Service Provider did not in fact perform its good faith subcontracting plan, the contract award or the existing contract may be terminated.

Service Providers will be required to report Small and Minority and Women-owned businesses subcontractors or distributor participation and the dollar amount of each with payment request to the contract monitor.

If only one proposal receives the minimum score of 70%, the City reserves the right to reduce the minimum score requirement at its discretion. If the City chooses to reduce the minimum score requirement it shall be done in 5% increments until such time as the purchasing director determines in writing that no further reductions in the minimum score will be conducted. The determination shall include a justification for the reduction and the reason for the cessation of further reductions.

Stage 3: Cost Proposal Evaluation (Possible 50 Points)

Proposals successful in the Technical Evaluation will advance to Stage 3 Cost Proposal Evaluation as follows:

The proposed price for calculation is the total annual cost estimate based on the pricing schedule in Attachment B-1. The number of points earned equals the lowest proposal price divided by the vendor's proposal price and multiplied by 70 for the total number of points earned.

Examples:

Proposer No. 1

TOTAL ANNUAL COST - \$ 100,000

$\$100,000/\$100,000 = 1.00 \times 50 = 50$ points

Proposer No. 2

TOTAL ANNUAL COST - \$ 110,000

$\$100,000/\$110,000 = 0.91 \times 50 = 45.5$ points

Prices proposed by the Proposers should be submitted on the Proposal Forms (or in a similar format) furnished in Attachment B-1. Prices proposed shall be firm.

Please note that the City-Parish may select multiple contractors to execute the requested scope of services and prices may be negotiated in the best interest of the City after the scoring is completed.

Note: The Proposer must include an itemized listing of all expenses or fees (including travel) that are expected to be paid by the Department, to the extent that they are not already included in the proposed pricing.

To evaluate all proposals, a committee whose members have expertise in various areas has been selected. This committee will determine which proposals are reasonably susceptible of being selected for award. If required, written or oral discussions may be conducted with any or all of the Proposers to make this determination.

Written recommendation for award shall be made to Purchasing for the Proposer whose proposal, conforming to the RFP, will be the most advantageous to the City-Parish, price and other factors considered.

The committee may reject any or all proposals if none are considered in the best interest of City-Parish.

11. Notice of Intent to Award

Upon review and approval of the evaluation committee's recommendation for award by the Director of Purchasing and the Metropolitan Council, a *Notice of Intent to Award* letter will be issued to the Proposer. The City-Parish desires to have a contract completed and signed by all parties concerned, on or before the date indicated in the Schedule of Events. If the Proposer fails to submit the Award Contract by the scheduled deadline, through no liability of the City-Parish, the City-Parish may elect to cancel the *Notice of Intent to Award* letter and make the award to the next highest scored Proposer.

The Purchasing Division shall notify all unsuccessful Proposers as to the outcome of the evaluation process, and include, upon request, evaluation factors, points, and a summary. A recommendation report shall be made available to all interested parties after the *Notice of Intent to Award* letter has been issued.

12. Contract Negotiations

If, for any reason, the Proposer whose proposal is most responsive to the City-Parish's needs, price, and other evaluation factors set forth in the RFP considered, does not agree to the contract, that proposal shall be rejected and the City-Parish may negotiate with the next highest scored Proposer. Negotiation may include revision of non-mandatory terms, conditions, and requirements. Negotiation shall also allow price adjustments. The final contract form shall be reviewed by the Purchasing Division and approved by the Parish Attorney prior to issuance of a purchase order, if applicable, to complete the process.

The RFP, any addendums, and the proposal of the selected Proposer will become part of any contract initiated by the City-Parish.

In no event is a Proposer to submit its own standard contract terms and conditions as a response to this RFP. The Proposer needs to address the specific language in the sample contract "Attachment D" and submit with their proposal any exceptions or exact contract deviations that the firm wishes to negotiate. The terms for both of these documents may be negotiated as part of the negotiation process, with the exception of contract provisions that are non-negotiable.

If the contract negotiation period exceeds **30 days**, or if the selected Proposer fails to sign the contract within **seven calendar days of delivery of the contract**, the City-Parish may elect to cancel the award and award the contract to the next highest scored Proposer.

Award shall be made to the Proposer whose proposal, conforming to the RFP, will be the most advantageous to the City-Parish, price and other factors considered.

13. Ownership

All proposals and/or documentation submitted therewith are City-Parish's property for all purposes.

Proposers must clearly mark documents or information as "confidential" in order to claim exemption, if any, from public records disclosure and specifically justify the exemption.

Confidential Information, Trade Secrets, and Proprietary Information

The designation of certain information as trade secrets and/or privileged or confidential proprietary information shall only apply to the technical portion of your proposal. Your cost proposal will not be considered confidential under any circumstance. Any proposal copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1 et. seq.) will be in effect. Pursuant to this Act, all proceedings, records, contracts, and other public documents relating to this procurement shall be open to public inspection. Proposers are reminded that while trade secrets and other proprietary information they submit in conjunction with this procurement may not be subject to public disclosure, protections must be claimed by the Proposer at the time of submission. Proposers should refer to the Louisiana Public Records Act for further clarification.

The Proposer shall mark the cover sheet of the proposal with the following legend, specifying the specific page(s) and/or section(s) of the proposal that are sought to be restricted:

"The data contained on page(s) XX and/or section(s) XX of the proposal have been submitted in confidence and contain trade secrets and/or privileged or confidential information and such data shall only be disclosed for evaluation purposes, provided that, if a contract is awarded to this Proposer as a result of or in connection with the submission of this proposal, the City-Parish shall have the right to use or disclose the data therein to the extent provided in the contract. This restriction does not limit the City-Parish's right to use or disclose data obtained from any source, including the Proposer, without restrictions."

Further, to protect such data, each page containing such data shall be specifically identified and marked “CONFIDENTIAL.”

If a competing Proposer or other person seeks review or copies of another Proposer's confidential data, the City-Parish will notify the owner of the asserted data of the request. If the owner of the asserted data does not want the information disclosed, it must agree to indemnify the City-Parish and hold the City-Parish harmless against all actions or court proceedings that may ensue (including attorney's fees), which seek to order the City-Parish to disclose the information. If the owner of the asserted data refuses to indemnify and hold the City-Parish harmless, the City- Parish may disclose the information.

The City-Parish reserves the right to make any proposal, including proprietary information contained therein, available to Purchasing Division personnel, the Office of the Mayor-President, or other City-Parish agencies or organizations for the sole purpose of assisting the City-Parish in its evaluation of the proposal. The City-Parish shall require said individuals to protect the confidentiality of any specifically identified proprietary information or privileged business information obtained as a result of their participation in these evaluations.

If your proposal contains confidential information, you should also submit a redacted copy along with your proposal. If you do not submit the redacted copy, you will be required to submit this copy within 48 hours of notification from Purchasing. When submitting your redacted copy, clearly mark the cover as – “**Redacted Copy**” – to avoid having this copy reviewed by an evaluation committee member. The redacted copy should also state which sections or information has been removed.

The City-Parish reserves the right to reject a proposal if the Proposer’s response is unacceptable, and the Proposer is unwilling to extend the validity of its proposal.

The mandatory RFP requirements shall become contractual obligations if a contract ensues. Failure of the successful Proposer to accept these obligations shall result in the rejection of the proposal.

Rejection

Issuance of this RFP in no way constitutes a commitment by the City-Parish to award a contract. The City-Parish reserves the right to accept or reject any or all proposals submitted or to cancel this RFP if it is in the best interest of the City-Parish to do so. Failure to submit all non-mandatory information requested may result in the City-Parish requiring prompt submission of missing information and/or giving a lower score in the evaluation of the proposal.

Proposals received after the deadline, corrupted files, and incomplete submissions will not be considered.

Order of Precedence

In the event of an inconsistency between the contract, the RFP, and/or the Proposer’s proposal, the inconsistency shall be resolved by giving precedence first to the final contract, then to the RFP and subsequent addenda (if any), and finally, the Proposer’s proposal.

The decision of the committee regarding the protest will be given to the Proposer in writing within ten (10) days after all pertinent information has been considered. The decision of the Review Committee shall be a condition precedent to any other proceedings in connection with a protest and shall be considered the administrative remedy available to the protesting bidder.
